Ideal age group: for all ages

COREOPLAY™ COLLECTION

PRODUCT HIGHLIGHTS

- CoreoPlay™ is a cluster of dancing water jets and light that create an immersive play experience during the day and into the night.
- CoreoPlay™ is created by combining thoughtfully designed play choreography, Vortex's Lumiflow technology, and a MaestroPro™ controller.

0/10.75/10.75 in
0/27/27 cm

Color choices

for drain : ● ● ●
RAL 5017, RAL 7040 et RAL 90080

SPRAYZONE AND DISTANCE BETWEEN LUMIFLOW

* The recommended spray height is 48". It is recommended to calculate your sprayzone area with this value as a reference, also for a project with a lower spray height. The distance between the jets must be a minimum of 32" starting from the center.

VORTEX EXCLUSIVE TECHNOLOGY

This product features the following technology that is unique to Vortex.

LUMIFLOW

- Combined water and lighting technology
- Vivid color changing water
- Optimized play value and water flow
- Combine with the MaestroPro™ and play choreography to create CoreoPlay™

* Recommended value
